A Intro

B:

I saw you dancing in a crowded room
You look so happy when I'm not with you
But then you saw me, caught you by surprise
A single teardrop falling from your eye
I don't know why I run away
I'll make you cry when I run away

C:

You could have asked me why I broke your heart
You could've told me that you fell apart
But you walked past me like I wasn't there
And just pretended like you didn't care
I don't know why I run away
I'll make you cry when I run away
Take me back 'cause I wanna stay

D:

Save your tears for another
Save your tears for another day
Save your tears for another day (Tyah)

E:

I made you think that I would always stay
I said some things that I should never say
Yeah, I broke your heart like someone did to mine
And now you won't love me for a second time
I don't know why I run away
Oh girl, I make you cry when I run away

F:

Girl, take me back 'cause I wanna stay
Save your tears for another
I realize that I'm much too late
And you deserve someone better

G:

Save your tears for another day
Save your tears for another day

H:

I don't know why I run away
I'll make you cry when I run away

I:

Save your tears for another day,
I said save your tears for another day,
Save your tears for another day
Save your tears for another day
