Chorus 1

"Oh don't you dare look back, just keep your eyes on me."
I said, "You're holding back." She said, "Shut up and dance with me."
This woman is my destiny. She said, "Oo, shut up and dance with me."

Verse 1

We were victims of the night, the chemical, physical kryptonite

Oh, we were bound to get together, bound to get together

Interlude 1

She took my arm, I don't know how it happened, we took the floor and she said:

Chorus 2

Verse 2

A backless dress and some beat up sneaks, my discotheque Juliet teenage dream.
I felt it in my chest as she looked at me,
I knew we were bound to get together, bound to get together.

Interlude 2

Chorus 3

Oh come on girl

Instrumental solo

Interlude 3

Deep in her eyes, I think I see the future.
I realize this is my last chance
She took my arm, I don't know how it happened,
we took the floor and she said:
