Verse 1

I've never seen a diamond in the flesh
I cut my teeth on wedding rings in the movies
And I'm not proud of my address,
In a torn-up town, no postcode envy

Interlude 1

But every song's like gold teeth, grey goose, trippin' in the bathroom
Blood stains, ball gowns, trashin' the hotel room,
We don't care, we're driving Cadillacs in our dreams.
But everybody's like Cristal, Maybach, diamonds on your timepiece.
Jet planes, islands, tigers on a gold leash.
We don't care, we aren't caught up in your love affair.

Chorus 1

And we'll never be royals (royals). It don't run in our blood,
That kind of luxe just ain't for us. We crave a different kind of buzz.
Let me be your ruler (ruler), you can call me queen Bee
And baby I'll rule, I'll rule, I'll rule, I'll rule. Let me live that fantasy.

Verse 2

My friends and I—we've cracked the code.
We count our dollars on the train to the party.
And everyone who knows us knows that we're fine with this,
We didn't come from money.

Interlude 2

But every song's like gold teeth, grey goose, trippin' in the bathroom.
Blood stains, ball gowns, trashin' the hotel room,
We don't care, we're driving Cadillacs in our dreams.
But everybody's like Cristal, Maybach, diamonds on your timepiece.

It don't run in our blood

Bridge

Oh oh We're bigger than we ever dreamed,
And I'm in love with being queen.
Oh oh oh Life is great without a care
We aren't caught up in your love affair.

Chorus 3

And we'll never be royals (royals). It don't run in our blood
That kind of luxe just ain't for us. We crave a different kind of buzz
Let me be your ruler (ruler), You can call me queen Bee
