A

You could never know what it's like
Your blood like winter freezes just like ice
And there's a cold lonely light that shines from you
You'll wind up like the wreck you hide behind that mask you use

B

And did you think this fool could never win,
Well look at me, I'm acoming back again
I got a taste of love in a simple way
And if you need to know while I'm still standing you just fade away

C

Don't you know I'm still standin' better than I ever did
Lookin' like a true survivor, feeling like a little kid
and I'm still standin' after all this time
Picking up the pieces of my life without you on my mind
I'm still standin' (yeah yeah yeah)
I'm still standin' (yeah yeah yeah)

D

Once I never could hope to win
You starting down the road leaving me again
The threats you made were meant to cut me down
And if our love was just a circus you'd be a clown by now

E

You know I'm still standin' better than I ever did
Lookin' like a true survivor, feeling like a little kid
and I'm still standin' after all this time
Picking up the pieces of my life without you on my mind
I'm still standin' (yeah yeah yeah)
I'm still standin' (yeah yeah yeah)

F

G

Don't you know that I'm still standin' better than I ever did
Lookin' like a true survivor, feeling like a little kid
and I'm still standin' after all this time
Picking up the pieces of my life without you on my mind
I'm still standin' (yeah yeah yeah)
I'm still standin' (yeah yeah yeah)
I'm still standin' (yeah yeah yeah)
I'm still standin' (yeah yeah yeah)
I'm still standin'!
