Built this city. We built this city on rock and roll.

Verse 1

Say you don't know me or recognize my face.
Say you don't care who goes to that kind of place
Knee deep in the hoopla, sinking in your fight.
We got too many runaways eating up the night.

Pre-Chorus1

Marconi plays the mamba, listen to the radio.
Don't you remember? We built this city.
We built this city on rock and roll.

Chorus1

We built this city. We built this city on rock and roll.
Built this city. We built this city on rock and roll.

Verse 2

Someone's always playing corporation games.
Who cares, they're always changing corporation names.
We just want to dance here, someone stole the stage.
They call us irresponsible, write us off the page.
