A

B Branches in the wind, still standing here together  
One more storm to weather, we'll get through it yet  
So we're gathered here, holding on to each other  
To let go of another one we won't forget

C

Now as we say goodbye, to one of our own  
We may be lonely, but we're not alone  
Though the leaves will fall, and the tears will flow  
May it always comfort us to know  
The family tree will always grow

D

E Father down to son, mother to daughter  
Thicker than water, we are made of this  
From the earth we rise, to the Earth returning  
We keep a candle burning for the ones we miss

F

And when we say goodbye, to one of our own  
We may be lonely, but we're not alone  
Though the leaves will fall, and the tears will flow  
May it always comfort us to know, the family tree will always grow

G

Stronger than the wind can blow  
The family tree will always grow

H
