It's beginning to look a lot like Christmas

- Michael Bublé -

*Words and Music by Meredith Willson
Arranged by Hans Reintjes
Original Key E major*

A

B

It's beginning to look a lot like Christmas, ev'ry where you go.
Take a look at the five and ten, it's glistening once again,
with candy canes and silver lanes that glow.

C

It's beginning to look a lot like Christmas, toys in ev'ry store.
But the prettiest sight to see, is the holly that will be,
on your own front door.

D

A pair of hop-a-long boots and a pistol that shoots
is the wish of Barney and Ben.
Dolls that will talk and will go for a walk
is the hope of Janice and Jen.
And Mom and Dad can hardly wait for school to start again.

E

It's beginning to look a lot like Christmas, ev'ry where you go.
There's a tree in the Grand Hotel, one in the park as well,
it's the sturdy kind that doesn't mind the snow.

F

It's beginning to look a lot like Christmas, soon the bells will start.
And the thing that will make them ring, is the carol that you sing,
right within your heart.

G

H

It's beginning to look a lot like Christmas, toys in ev'ry store.
But the prettiest sight to see, is the holly that will be,
on your own front door.
Sure it's Christmas, once, more
